RENTERS INSURANCE

Protecting What's Yours

The Heart of Your Insurance Protection

Do Renters Need Insurance?

Yes. Renters should not overlook the need for insurance. If a renter's building is destroyed, the landlord or property owner's policy will cover the structure only. To recover for the loss of personal belongings, the renter must have his/her own policy. Your renters policy also provides invaluable liability protection from an ever increasing litigious world.

Our policy is tailored to fit the needs of renters. Badger Mutual's renters policy covers damage to your personal property. It is similar to the policy purchased by the owner of a house. The primary difference is that a renters policy does not include coverage on the building. When you purchase protection from Badger Mutual, you can expect the following:

- ♥ Friendly, personal service
- ♥ Competitive rates
- ♥ Comprehensive coverage
- ♥ Prompt and fair claim service
- ♥ Convenient billing options
